

New channel to pay for Land Tax via Banking System

Since the official launch of Land Tax Payment via banking system at the end of last year by the contract signing between Tax Department, Ministry of Finance (MOF) and Banque Pour Le Commerce Exterieur Lao Public (BCEL) along with the 6 agent banks on 17th December 2018 at Lao Plaza Hotel, the service has received the positive feedback from the society. Now, Lao people in all provinces can pay for their land taxes via banking system including BCEL i-Bank, BCEL One and at the BCEL's counters in overall the country and the counters of the agent banks or the service agent for land tax payment.

The firstly joined agent banks are Lao Development Bank, Agricultural Promotion Bank, Lao-Viet Bank, Lao-China Bank, Joint Development Bank and BIC Bank Lao Co., LTD. The project will continue to extend the service to other banks which the news will be announced to the public periodically.

- ✚ The payment for land tax can be done via 3 channels with convenience and ease including:**
- 1. To pay via BCEL i-Bank, BCEL One, the Mobile Banking Application of BCEL and the mobile banking application of the agent banks.**
 - Log in to the account
 - Click on the icon Bill Payment (For BCEL i-Bank)
 - Select the option for Land Tax Payment then follow the payment instruction.
 - Bring the QR code received after completing the payment to the counter of BCEL or the agent banks or the Kiosk Machine to print out the receipt.
- 2. Pay at the service counter of BCEL or the agent banks.**
 - The payment can be paid by cash or via account payment.
- 3. Pay at the service agent**
 - The payment will be in cash.
- ✚ The documents should be brought to the counter for processing payment at the bank or the service agent are as follows:**
 1. Land Title Certificate and the last payment receipt or
 2. Land Using Certificate and the last payment receipt; or
 3. The document that helps following the payment of land tax (for the case of not having the Land Title Certificate or the Land Using Certificate); or
 4. The certified documents from National Resource and Environment Section or other related authority and the last payment receipt.

Any of the documents mentioned above can be used to present to the officer when proceed the land tax payment, the document can be in original document or original copy. After the payment is completed, the receipt will be printed out for the land owner to keep.

For the case that the payment is done by the tax payers via i-Bank, BCEL One of BCEL or Mobile Banking of the agent banks, the receipt can be printed out at the bank's service counter or at the Kiosk machine by scanning the QR Code, which received after complete the payment.

This new channel for the Land Tax Payment VIA Banking System is the first time and decent cooperation between Tax Department, Ministry of Finance and BCEL along with the agent banks to collect the Land Tax in overall the country. This channel will provide convenience for the local citizens and the more effective collection of taxes for the public to be on-time, accurate, transparent and checkable.
